

Mountaintop

The City Harmonic

The valley low that's where we'll make our homes
But this I know that's what He saved us from
Cause we've seen the glory of our King
On the mountaintop

We've been to the mountaintop
We've seen the glory of our God
He is here in the valley low
He's here I feel it in my bones
Our God here and now
We are the body of our God

Oh I've done bad, what happens to me now
I know for sure that we've been changed somehow
And we'll be the glory of our King
In His kingdom come

We've been to the mountaintop
We've seen the glory of our God
He is here in the valley low
He's here I feel it in my bones
Our God here and now
We are the body of our God

We build our temples
We build our walls
But they can't hold Him in
We are the temple of our God
But we can't hold Him in

We've been to the mountaintop
We've seen the glory of our God
He is here in the valley low
He's here I feel it in my bones
Our God here and now
We are the body of our God

Hey!
