

# My God

The City Harmonic

I lift my eyes up  
In these day of trouble  
Will my help come from you?  
And if I stumble  
Will you pick me up?  
What else a father do?  
You know just where I'm going  
You made the open road  
So take my hand Lord, lead me home  
Ohhhhhh, ooooh  
Ohhhhhh  
Oh my God  
Ohhhhhh, ooooh  
Ohhhhhh  
Oh my God

I lift my heart up  
Whether it's whole or broken  
Good God, I know you're gonna work it out  
So on my heart beats  
To a beat that I put my hope in  
The love of my God pouring out  
Yeah!  
Ohhhhhh, ooooh  
Ohhhhhh  
Oh my God  
Ohhhhhh, ooooh  
Ohhhhhh  
Oh my God  
I will sing  
Sing  
Sing  
And you will be  
My  
Song  
Yeah!  
Ohhhhhh, ooooh  
Ohhhhhh  
Oh my God

And I'm gonna sing it like  
It's everything to me  
And I'm gonna sing it like  
The deep calling out to deep  
And I'm gonna sing it like  
It's all I've got  
'Cause all that I want  
Is to sing for the love of God  
And I'm gonna sing it like  
It's everything to me  
And I'm gonna sing it like  
The deep calling out to deep  
And I'm gonna sing it like  
It's all I've got  
'Cause all that I want  
Is to sing  
Sing

Sing!
