

Wake Me Up

The City Harmonic

How long, how long will the river run dry
Cause I'm so busy living I forgot to be alive
And I've lost count of the beat of Your heart
Come on, come on won't You wake me up
Wake me up, wake me up, wake me up, yeah

Cause when You sound You bring to life
Even my darkest of nights
Wake me up to shine
Oh

Yeah, I've come home like a prodigal son
If home's where the heart is that is in the hands of God
And that is just where my heart belongs
Turn on the light, come on wake me up
Wake me up, wake me up, wake me up, yeah

Cause when You sound You bring to life
Even my darkest of nights
You wake me up to shine
Oh

Sleep will last from the dead
Sing Your songs instead
Right up to the end
Come on wake up

Sing out Your songs of life
In Your darkest nights
It will be alright
Come on wake up
Wake up

You gotta wake me up
Wake me up
You gotta wake me up
Wake me up
You gotta wake me up
Wake wake me up
You gotta wake me up
Wake wake me up
You got to wake me up!

You shine
You bring to life
Even my darkest of nights
You wake me up to shine
