

## Falling

### The Civil Wars

Haven't you seen me sleep walking?  
'Cause I've been holding your hand  
Haven't you noticed me drifting?  
Oh, let me tell you, I am

Tell me it's nothing  
Try to convince me  
That I'm not drowning  
Oh let me tell you, I am

Please, please tell me you know  
I've got to let you go  
I can't help falling  
Out of love with you

Why am I feeling so guilty?  
Why am I holding my breath?  
Worry 'bout everyone but me  
I just keep losing myself

Tell me it's nothing  
Try to convince me  
That I'm not drowning  
Oh let me tell you, I am

Please, please tell me you know  
I've got to let you go  
I can't help falling  
Out of love with you

Won't you read my mind?  
Don't you let me lie here  
And die here

Please, please tell me you know  
I've got to let you go  
I can't help falling  
Out of love with you

Haven't you noticed?  
I'm sleepwalking
