

If I Didn't Know Better

The Civil Wars

If I didn't know better I'd hang my hat right there
If I didn't know better I'd follow you up the stairs

Stop saying those sweet things you know I like to hear
The horns are blowing louder and they're destroying me

Why do I keep drinking
Wasting my time on you
If I didn't know better
Well damnit
I do

There's a hole in what you're saying
I can plainly see
You have a lover that's waiting but baby you're right
here with me

Ooh, you might as well be the devil
Oh, keeping me out past three
Oh, you're the one with that apple so baby you can't
blame me

Why don't you keep drinking
Get me one night with you
If I didn't know better
Well damnit
I do
You know that I do

Oh, baby you're right here with me
Oh, baby you know
