

Talking In Your Sleep

The Civil Wars

When you close your eyes and you fall asleep
And it's down to the sound of a heartbeat
I can hear the things you're dreamin' about
When you open up your heart and the truth comes out
You tell me that you want me
You tell me that you need me
You tell me that you love me
And I know that I'm right
'Cause I hear it in the night

I hear the secrets that you keep
When you're talking in your sleep
I hear the secrets that you keep
When you're talking in your sleep

When I hold you in my arms at night
Don't you know that you sleep in the spotlight?
And all your dreams you keep inside
You're telling me the secrets that you just can't hide
You tell me that you want me
You tell me that you need me
You tell me that you love me
And I know that I'm right
'Cause I hear it in the night

I hear the secrets that you keep
When you're talking in your sleep
I hear the secrets that you keep
When you're talking in your sleep
I hear the secrets that you keep
When you're talking in your sleep
I hear the secrets that you keep
When you're talking in your sleep
I hear the secrets that you keep
When you're talking in your sleep
I hear the secrets that you keep
When you're talking in your sleep
When you're talking in your sleep
When you're talking in your sleep
When you're talking in your sleep
