

# Blessed & Highly Favored

The Clark Sisters

[Verse:]

He brought me through hard trials  
He brought me through tribulations  
Never let a day go by and not realize  
Had not been for the Lord who was on my side

Back was against the wall  
He looked out for me  
He heard my cry and rescued me  
Never let a day go by and not realize we are blessed

[Chorus:]

Don't take it for granted that we are here today  
Just know that we're blessed and highly favored  
Just know that we're blessed and highly favored

[Verse]

[Chorus]

As I look back through the years,  
It's amazing how He kept me.

What the devil mean't for evil,  
God turned it around,  
Turned it around just for my good.

I know that I am blessed and highly favored.  
Just know that we're blessed and highly favored.

It coulda' been me,  
It shoulda' been me,  
It woulda' been me if it wasn't for the blood.

Grace, mercy.  
Grace, mercy.

Just know that we're blessed and highly favored,  
just know that we're blessed and highly favored.
