

# I've Got An Angel

The Clark Sisters

I've got an angel with me in my sleep  
Watching over me and my soul to keep  
I've got an angel looking after me  
Going to and fro waiting on me when I meet  
Protects me from all danger seen and unseen  
Stripping the powers of darkness  
Angels encamped around me  
Touching me in the morning my eyes to see

[Chorus:]

Got singing angels  
I can hear them I can feel them  
Encamped all around me  
Got ministring angels  
I can hear them I can feel them  
Encamped all around me

It's an army of angels  
Oh yeah

Got an angel watching over me  
Keeping me from all hurt harm and danger  
(oh, oh, oh, oh) Got an angel watching over me  
keeping me from all hurt harm and danger

[repeat Chorus]

Angels watching over me  
Angels Watching over me  
Angels watching over me  
Angels watching over me  
Angels watching over me over me  
[music fades]
