

# My Redeemer Liveth

The Clark Sisters

I know, my redeemer liveth  
Heard Job when he said,  
Yea, yea, yea, yeayea, yea, yea, yea  
I know, my redeemer liveth  
Heard Job when he said  
Yea, yea, yea, yea, yea, yea, yea, yea  
Through many,

Dangers, toils, and snares  
I have already come  
To a place  
Thats brought me safe thus far  
And its inner grace gonna lead me on yall

Isiah the prophet  
Said they that wait  
And the lord he shall

Renew their strength  
They shall mount up with wings, like an eagle  
They shall run and not get weary  
They shall walk and not faint

Job picked it up,  
Job picked it up,  
Job, Job, Jooob,  
Job picked it up [x4]

And he say  
I'm gonna wait until my change comes
