

Better Day

The Clarks

Everybody wants to find a way
Everybody wants a better day
You want to know, you've gotta find a better way
You want to know, you've gotta find a better day

Everybody got to get along
Everybody wants a better song
You want to know, you've gotta find a better way
You want to know, you've gotta find a better day
And when it all comes down and those people they're comin' around and
They'll tell you... well don't let them through

Everybody wants a way
Everybody wants to see a better day
Everybody get to you
Everybody wanna see you comin' through
You want to love
You've got to find a way

Everybody wants to find a way
Everybody wants a better day
You want to know, you've gotta find a better way
You want to know, you've gotta find a better day
You want to know, you've gotta find, you've gotta get it in your mind
Come on
