

I'm A Fool

The Clarks

If I sing you one more song, baby would you come along
you can tell me what to do
If I kiss you one more time, baby would you read my sign
you can tell me that we're through

I just wanna be with you
I just wanna hold you one more time or maybe two
I just wanna be with you 'cause I'm a fool

If I pour you one more wine, baby can you read my mind
you can play me for a fool
If I stay just one more night, baby will you hold me tight
you can use me like a tool

I just wanna be with you
I just wanna hold you one more time or maybe two
I just wanna be with you 'cause I'm a fool

If we made love one more time, maybe you would change your mind
