

# If I Can't Have You

The Clarks

Hey now listen you've been on my mind,  
I think about you too much of the time.  
I hear you calling but I don't know when,  
My arms are open and my hair is thin.

If I can't have you.  
If I can't have you.  
I'm gonna find someone new.  
I'm gonna find someone new.

I'll buy your flowers and I'll mow the lawn,  
I'll even go shopping with your mom.  
Your phone machine knows me more than you,  
If you think about me now how bout a clue.

If I can't have you.  
If I can't have you.  
I'm gonna find someone new.  
I'm gonna find someone new.

When I can't get a hold of you,  
I'm just gonna find someone new.

Someone to spend their precious time with me,  
Precious time, some one who will, share some laughs and stay with me,  
Won't be too proud to wait for me.

If I can't have you.  
If I can't have you.  
I'm gonna find someone new.  
I'm gonna find someone new.

It's gonna be east to find someone now.  
If I can't have you
