Penny On The Floor

The Clarks

There's a penny on the floor and you're gone The television's on Have you found another man to take my place

There's a penny on the floor and I'm wise I try to see in your eyes
But all I see is a reflection of my face

There's a penny on the floor and you're gone I'm trying to right what's wrong
A stronger man might do it with more grace

There's a penny on the floor and I'm wise I look up to the skies I cry and pray and I stare out into space

There's a penny on the floor and you're standing at the door Turn around and say goodbye
A woman like you comes around just once a life

There's a penny on the floor and and I'm strong I'll try to carry on Realizing no one can take your place

There's a penny on the floor and I'm fine I know it's gonna take some time Before I look at you without looking at my own face

Penny on the floor I'm tired of the war Penny on the track are you coming back

There's a penny on the floor and it stays
As a tribute to the days
That were spent with you no one can take them away

There's a penny on the floor and it stays
As a tribute to the ways
You filled my soul with courage hope and grace

There's a penny on the floor and you're standing at the door Turn around and say goodbye
A woman like you comes around just once a life

There's a penny on the floor and you're standing at the door Turn around and say goodbye
A woman like you comes around it won't bring me down
