

Perfection Not Required

The Clarks

Trade you my girlfriend for your guitar
Know that string will only bend so far
Everybody sells me
Everybody tells me how

Cause I'm feeling a little wired
I'm not drunk, I'm just tired
And I'm not gonna get fired
Cause perfection's not required

When you figure out what's going on
We'll get drunk and then we'll write a song
When somebody shows me
When somebody shows me how

Cause I'm feeling a little wired
I'm not drunk, I'm just tired
And I'm not gonna get fired
Cause perfection's not required

Well, I'm feeling a little wired
I'm not drunk yet, I'm just tired
And I'm not gonna get fired
Cause perfection's not required

Well, I'm feeling a little wired
I'm not drunk, I'm just tired
And I'm not gonna get fired
Cause perfection's not required
