

# Superstar

The Clarks

You changed the world, you blinked your eyes  
But you never said goodbye  
You saved a life with words my friend  
Believe your songs can mend

Never bought a drunk a drink  
Never swam swim just to sink

You're a face in the crowd, and you're screaming out loud, Superstar  
You're a face in the crowd, and you're screaming out loud, Superstar  
Superstar, Superstar

You laugh and sing, the whole world cries  
Say you're too young to die  
Some luck can mend and bend your mind  
Or just make you blind

Never speak just to lie  
Never live just to die

You're a face in the crowd, and you're screaming out loud, Superstar  
You're a face in the crowd, and you're screaming out loud, Superstar  
Superstar, Superstar

There's a place in my mind you'll never find  
At the end of a bar and a rhyme

Never gave a drunk a drink  
Never cry just to blink  
Never run just to fall  
Never bleed just to scar
