

Treehouse

The Clarks

Where you going, whatcha looking for
You're looking alright to me
When you grow up what do you want to be
Watcha doing, can I play too
I had a good life today
Mamma said it's alright, you can stay

And it's one, two, three I got my hey Marie
Come on let's climb a tree up to the sky

What's the matter, do you feel alright
Maybe you should stay in bed
Honey it's not what you did it's what you said
How'd you do that will you show me how
I want to grow up so fast
No one told me that the child in me won't last

Well, let's climb a tree, I got my hey Marie
Come on and look at me up in the sky
I never had the chance to say goodbye
I never had a tree house in the sky

And it's one, two, three I got my hey Marie
Come on and look at me up in the sky
Say goodbye goodbye
