## The Clash

1. Well, I got a friend who's a man (who's a man?)  
What man? The man who keeps me from the lonely the only  
He gives me what I need (What you need?)  
What ya got? I need it all so badly

R: Oh, anything I want  
He gives it to me  
Anything I want he gives it  
But, not for free, it's hateful  
and it's paid for  
And I'm so grateful to be nowhere

2. This year I've lost some friends (some friends?)  
What friends? I dunno I ain't even noticed  
You see, I gotta go out again  
My friend, I gotta see the main man

R: Oh, anything I want...

3. I killed all my nerves  
What swerves? I can't drive so steady (and already)  
I've lost my memory (What mind?)  
Behind, I can't see so clearly.

R: Oh, anything I want...

Anything I want, anything I want
