

## The Card Cheat

### The Clash

There's a solitary man crying, "Hold me."  
It's only because he's a-lonely  
If the keeper of time runs slowly  
He won't be alive for long!

If he only had time to tell of all of the things he planned  
With a card up his sleeve, what would he achieve?  
It means nothing!

To the opium den and the barroom gin  
In the Belmont chair playing violins  
The gambler's face cracks into a grin  
As he lays down the king of spades

But the dealer just stares  
There's something wrong here, he thinks  
The gambler is seized and forced to his knees  
And shot dead

He only wanted more time  
Away from the darkest door  
But his luck it gave in  
As the dawn light crept in  
And he lay on the floor

From the Hundred Year War to the Crimea  
With a lance and a musket and a Roman spear  
To all of the men who have stood with no fear  
In the service of the King

Before you met your fate be sure you  
Did not forsake your lover  
May not be around anymore
