

Oblivion

The Claymore

There's a light upon my crying mind
This darkened shine is guiding me
In my heart there is no place for love
Hear me screaming in the falling rain tonight

I am cursed to die

Shine
Hold on the light
We're cursed with oblivion
I see the glance into your heart
Remember me

In the darkness of a lonely night
I am trapped inside my cruelty
But I hope there is a chance for me
To live all my dreams
And to change the world for you

I am here to stay

Shine
Hold on the light
We're cursed with oblivion
I see the glance into your heart
Remember me
