

# Addicted to Me

The Click Five

I woke you up before  
You had the chance to dream  
You almost missed the dance  
But never skipped a beat

You never could admit  
We've had a history  
Your friends would throw a fit  
So you had to smuggle me

Don't give up  
I won't give up on you  
I've been loyal without having something to prove  
I'm not a killer  
I'm just killing your doubts

Don't you know that  
I'll be here forever  
Even if you leave  
And if you look for something better  
Soon you'll see  
That you're addicted to me

The guilt is all on you  
But I'm easier to blame  
But I can still relieve  
Your ordinary pain

Don't give up  
I won't give up on you  
I've been loyal without having something to prove  
I'm not a killer  
I'm just killing your doubts

Don't you know that  
I'll be here forever  
Even if you leave  
And if you look for something better  
Soon you'll see  
That you're addicted

You can love, you can lust, you can use me  
All you want  
You can lie, you can trust, you confuse me

I'll be here forever  
Even if you leave  
And if you look for something better  
Soon you'll see  
That you're addicted

I'll be here forever  
Even if you leave  
And if you look for something better  
Soon you'll see  
That you're addicted to me  
That you're addicted to me

That you're addicted to me  
That you're addicted to me
