

Angel to You (Devil to Me)

The Click Five

When I saw her she looked my way,
And I knew that I was over my head
Ruby lips on a smile so sweet
With a rude attitude that could knock me dead
Suddenly, I heard her voice when she called my name
Suddenly, I knew my life was gonna change

Well she's hotter than hell
And she's cool as they come
And she's smart and she's wild all rolled into one
Yeah, you say I'm the guy that you wish you could be
It's not easy to see
That she's an angel to you,
But she's a devil to me

All my friends say you lucky guy,
Everyone wants to stand in your place
And so I give it another try,
I'm not sure how much more my poor heart can take
Suddenly, I feel the blood pumpin' round my brain
Suddenly, I grab my bat and I'm back in the game

Well she's hotter than hell
And she's cool as they come
And she's smart and she's wild all rolled into one
Yeah, you say I'm the guy that you wish you could be
It's not easy to see
She's an angel to you,
But she's a devil to me

I don't know what to do,
I don't know what to say
Cause no one knows what she puts me through anyway
I awake in disaster,
I can't seem to get past her
I try and I try
But I can't get away

She's an angel to you
She's a devil to me
She's an angel to you,
She's a devil to me
It's not easy to see

Well, she's hotter than hell
And she's cool as they come
And she's smart and she's wild all rolled into one
Yeah, you say I'm the guy that you wish you could be
It's not easy to see
(That she's a devil)

Well she's hotter than hell
And she's cool as they come
And she's smart and she's wild all rolled into one
Yeah you say I'm the guy that you wish you could be
It's not easy to see
That she's an angel to you

But she's a devil to me
