The Click Five

Tried to take a picture
Of love
Didn't think I'd miss her
That much
I want to fill this new frame
But its empty

Tried to write a letter
In ink
Its been getting better
I think
I got a piece of paper
But its empty
Its empty

Maybe we're trying
Trying too hard
Maybe we're torn apart
Maybe the timing
Is beating our hearts
We're empty

And I've even wondered
If we
Should be getting under
These sheets
We could lie in this bed
But its empty
Its empty

Maybe we're trying
Trying too hard
Maybe we're torn apart
Maybe the timing
Is beating our hearts
We're empty

Oh oh
Oh oh
Oooooh
Oh oh
Oh oh

Maybe we're trying
Trying too hard
Maybe we're torn apart
Maybe the timing
Is beating our hearts
We're empty

We're empty
We're empty
