

The Queen Of Seville

The Clientele

4:45 and no one's alive
By the lights on 10th Street
But that's alright
I'm wasted anyway

The queen of Seville
She sends me roses
It's gonna be a lonely, lonely day
It's gonna be a lonely, lonely day

So set 'em up, Joe
At least I know there's no way forward
'Cause every way I look
This ends the same

The queen of Seville
She sends me roses
It's gonna be a lonely, lonely day
It's gonna be a lonely, lonely day

Lord, I gotta go
'Cause there is no place in this world for me no more
But the tide
It whispers back again

It's gonna be a lonely, lonely day
It's gonna be a lonely, lonely day
It's gonna be a lonely, lonely day
It's gonna be a lonely, lonely day
