

## What About Us

### The Coasters

He's got a house made of glass  
Got his own swimming pool...what a gas  
We've got a one-room shack  
Five by six by the railroad track, well

What about us  
What about us  
Don't want to cause no fuss  
But what about us

He's with a beautiful chick  
Every night of the week, pretty slick  
We're two poor hung up souls  
Girls won't touch with a ten-foot pole, well

What about us  
What about us  
Don't want to cause no fuss  
But what about us

He goes to eat at the Ritz  
Big steaks, that's the breaks  
We eat hominy grits  
From a bag, what a drag

He's got a car made of suede  
With a black leather top, got it made  
If we go out on dates  
We go in a box on roller skates, well

What about us  
What about us  
Don't want to cause no fuss  
But what about us

He goes to eat at the Ritz  
Big steaks, that's the breaks  
We eat hominy grits  
From a bag, what a drag

With a black leather top, got it made

But what about us

What about us  
What about us  
But what about us
