

I'll Never Know

The Color Fred

why does it hurt everytime she leaves
if it doesn't mean a thing I won't worry
something must be wrong 'cause you never leaves
if it doesn't mean a thing I won't worry

maybe I'm just missing this
but nothing missing from this kid
or maybe I'm just think of it wrong
'cause she's my best friend
she's my best friend

and I nearly lost a reason
just like you lose some change
now she changed mine forever
and I'll never be the same
I can try to move on lonely
she might never let me go
why do we have these thoughts
I'll never know
I'll never know

why does she look at me that way
well I nearly lost a reason
just like you lose some change
now she changed mine forever
and I'll never be the same
I could try to move on lonely
she might never let me go
and why do we, why do we
oh why do we, why do we
and why do, we why do we
why do we have these thoughts
I'll never know
I'll never know
