

Hole Hearted

The Color Morale

Am I stuck inside my own mind or am I just an insect in
amber frozen in a moment and forgotten in time
Where is my mind
I don't want the world to see me I want the world to
see where it is I've been
I just want someone to feel like they can be something
There's got to be more than feeling this alone

I've been through enough to leave me alone
Now I feel so confused
Maybe I was made to learn on my own

I don't want to go to the grave wondering what I could
have made
Will I ever change
I don't want to live day by day wondering if I'll ever
change
Get back
I don't want to live day by day
It's never too late to make the change
Everyone you've known
These moments you're lost and alone
You've pushed everyone away even when they tried to
stay
Where did this come from
Enough is enough

I've been through enough to leave me alone
Now I feel so confused
Maybe I was made to learn on my own

I can't do this on my own
