

## Never Enders

### The Color Morale

And I'm too abused to walk away from this  
Of all I've been through I just wouldn't change it  
If I could go back in time and change everything  
I wouldn't change a thing because it made me who I am  
And I'm so confused  
I don't seem to know what's real or what's make believe  
anymore but I must move forward for you  
And do this all for you  
Without you there is no me and I'll stay even if you  
choose to leave  
The world will always keep turning it's back on me  
And I just wouldn't change it

If I could go back in time and change everything I  
wouldn't change a thing because it made me  
I am not leaving this room tonight until I know that I've  
changed at least one life  
And you are not leaving not knowing, not knowing how you  
are changing mine

Please don't sing louder than me unless your singing with  
a heart backing a beat  
Then you'll know there's a reason for this song to find  
you and sing along

This is not another singalong  
This is one breath made from different lungs
