

Oh Goodbye

The Colourist

e've had our stories and separations
We let the good grow strong
We let the good grow strong

We've had our bad times
All in the past times
We let the good grow strong
We let the good grow strong

Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Ih goodbye, oh goodbye, it's nice to know ya, oh goodbye

You were an addiction, its sad to say it's true
We have to say 'so long'
We have to say 'so long'

There comes time when
We're just not happy
We have to say 'so long'
We have to say 'so long'

Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, it's nice to know ya, oh goodbye

Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
