

# Oh Goodbye

The Colourist

e've had our stories and separations  
We let the good grow strong  
We let the good grow strong

We've had our bad times  
All in the past times  
We let the good grow strong  
We let the good grow strong

Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya  
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya  
Oh goodbye, oh goodbye, it's nice to know ya, oh goodbye

You were an addiction, it's sad to say it's true  
We have to say 'so long'  
We have to say 'so long'

There comes time when  
We're just not happy  
We have to say 'so long'  
We have to say 'so long'

Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya  
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya  
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya  
Oh goodbye, oh goodbye, it's nice to know ya, oh goodbye

Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya  
Oh goodbye, oh goodbye, oh goodbye, it's nice to know ya
