

Do Right Woman, Do Right Man

The Commitments

Take me to heart
And I'll always love you
And nobody
Can make me do wrong

Take me for granted
Leaving your love unshown
Makes will power weak
And temptation is strong

A woman's only human
This you should understand

She's not just a plaything
She's flesh and blood, just like her man

And if you want a do right all days woman
You've gotta be a do right all night man

Yeah, yeah, they say that it's a man's World, oh
But you can't prove that by me, no
And as long as we're together baby
Show some respect for me

And if you want a do right all days woman
You've gotta be a do right all night man

A woman's only human
This you should understand
She's not just a plaything
She's flesh and blood, just like her man

And if you want a do right all days woman
You've gotta be a do right all night man

You've gotta be a do right all night man
