Nowhere to run to, baby, nowhere to hide
Got nowhere to run to, baby, nowhere to hide
It's not love I'm runnin' from, just a heartbreak I know will come
'Cause I know you're no good for me but you've become a part of me
Everywhere I go, your face I see
Every step I take, you take with me, yeah, yeah
Nowhere to run to, nowhere to hide from you, baby
Got nowhere to run to, nowhere to hide from you, baby
I know you're no good for me
Free of you I'll never be, no, no
Each night as I sleep, into my heart you creep
I wake up feeling sorry I met you, hoping soon that I'll forget you
When I look in the mirror to comb my hair
I see your face, just a smile in there, yeah, yeah
Nowhere to run to baby, nowhere to hide
Got nowhere to run to, baby, nowhere to hide
I know you're no good for me
But you've become a part of me, yeah yeah
How can I find a lover that shouldn't be
And it's so deep, so deep, deep inside of me
My love reaches so high, I can't get over it
It's so wide, I can't get around it no
Nowhere to run to, nowhere to hide from you baby
I just can't get away from you, baby, no matter how I try
I know you're no good for me
But free from you I'll never be, no, no
Nowhere to run to, baby, nowhere to hide
Got nowhere to run to, baby, nowhere to hide
Got, got, got, nowhere to run
Got nowhere to run to, baby and nowhere to hide
Got, got, got nowhere to run
No, no, no, no, nowhere to run, baby
Got, got, got, got, got nowhere to run
Nowhere to run to, baby
