

That Part

The Common Linnets

Watch the sun come up
At the end of the night
Watch the stars burn out
Put the TV on for a while

And this room`s too cold
And the clock`s too slow
And I`m wondering, where you are
And I don`t want to know

And I can`t breath
And I can`t feel my heart
And as easy as it should be, it`s not
Guess maybe you`re waiting
For the last scene to start
But I can`t play that part

All the pitches of you
I clear them under the bed
All the good and the bad
That I`m trying so hard to forget

They say memories fade
I don`t know if they do
And honestly, I don`t wanna believe
That I needed to

And I can`t breath
And I can`t feel my heart
And as easy as it should be, it`s not
Guess maybe you`re waiting
For the last scene to start
But I can`t play that part
