

## C Minor

### The Communards

Now I know  
Where you go,  
What you do,  
When you're away from me  
Who he is,  
What's his name,  
Where he lives,  
All your aims  
But no longer  
Will I play  
Your foolish games  
You took my heart  
And you tore it into too many pieces  
But I've put it all together again  
There's a fire down in me  
That burns, oh, so bright  
With the longing, with the yearning to be free  
I won't cry, I won't cry  
No I won't waste my tears  
I'll get by  
I'll survive  
Without you  
Without you  
(piano solo)  
I gave you the stars  
I gave you the moon and my heart  
But you take them all and threw them all away  
I don't want you, I don't need you  
I will survive  
I've got strength enough down inside for two  
When you leave, when you leave  
Just look the other way  
I won't waste my breath my tears  
There's nothing to say  
There's a fire down in me  
That burns, oh, so bright  
With the longing, with the yearning to be free  
I won't cry, I won't cry  
No I won't waste my tears  
I'll get by  
I'll survive  
Without you  
Without you  
(violin solo)  
Just go, just go, just go  
There's a fire down in me  
That's burning, oh, so bright  
With the longing, with the yearning to be free  
I won't cry, I won't cry  
No I won't waste my tears  
I'll get by  
I'll survive  
Without you  
Without you (ad lib)
