So, boy where you go, what you do, Hey there boy what is wrong with you?
No future, no hope, just broken dreams,
You spend your days wondering why

- I'll be your friend, I'll be around
 I'll be everything you need
- I'll be your friend, I'll be around
 I'll be everything you need

Hey young man, why you cry
Don't you know, you've got to try
A little bit harder, you've got to stand
On your own two feet
Never let them drag you down
Hey there boy
This prejudice and ignorance we can
overcome
I'll be your friend, I'll be around
I'll be everything you need
I'll be everything you need
I'll be everything you need

Disenchanted angry young man Disenchanted angry young man Disenchanted angry young man Disenchanted angry young man I'll never let you down Never let you down

So boy now you know what to do, hey there boy don't be blue There's future, there's hope, hope for you Hey young man just believe in what you do.

I'll be your friend, I'll be around I'll be everything you need I'll be your friend, I'll be around I'll be everything you need Pride is something good for you Believe in yourself.
