

# Foolish Little Girl

## The Cookies

You broke his heart and made him cry,  
And he's been blue since then.  
Now he's found somebody new,  
And you want him back again.

[Sung:]

Foolish little girl, fickle little girl.  
You didn't want him when he wanted you.  
He's found another love, it's her he's dreaming of,  
And there's not a single thing that you can do.

But I love him.  
(No you don't, it's just your pride that's hurt.)  
I still love him.  
(If you got him back again,)  
(You'd go right out and do him dirt.)

Foolish little girl, fickle little girl.  
You didn't want him when he wanted you.  
He's found another love, it's her he's dreaming of,  
And there's not a single thing that you can do.

But I love him.  
(It's too late to have a change of heart.)  
I still love him.  
(Tomorrow is his wedding day,)  
(And you'll keep quiet if you're smart!)

[Instrumental break with vocal stylings.]

You foolish little girl, fickle little girl.  
You didn't want him when he wanted you.  
He's found another love, it's her he's dreaming of,  
And there's not a single thing that you can do.

(But I love him.)  
Forget him 'cause he don't belong to you.  
(I still love him.)  
It's too late he's found somebody new.  
(You know I love him.)

[Fade.]

There's not a single thing that you can do.  
(I really love him.)  
Forget him 'cause he don't belong to you.  
(I still love...)
