

Pennies

The Cool Kids

Kick it in the city when we in around town
Next door neighbors telling us that it's too loud
Now neighbor can you please just turn that mess down?
This is the sound of throwin pennies on the ground

Turn it up
I don't think they hear it enough
Back when Jordons and a gold chain was livin it up
Up top I had a high top fade with the high tops watching my highlight
Tape from a skybox
Arbor Hills, Michigan
Home of the palace
The place on the map where Isiah beat Magic
Throwing elbows that can rip my horn habits
With the 8-9 bad boy hammer on my cap
And you know Chuck did it
Now the girls get with it
Tell em kiss it off they glass
Or pass or kick it
Call the shots from the bench and
Finger 'pointin pics
I'm coach chuck bailey aka daddy rich
I meant Chuck Inglish, the flicker of the flicks
Or net finger roll
Allen Houston off the bic
Yeah, the pick of the litter with the kicks is
New but kick two who do? the cool kids

[Hook:]

Kick it in the city when we in around town
Next door neighbors telling us that it's too loud
Now neighbor can you please just turn that mess down?
This is the sound of throwin pennies on the ground

Twistin off the faucet
Watch it washin, spittin while I'm walking
Then I start thinkin I should hit the sink
And get a flossin
Awesome
Then I hear the misses barkin
Not my Mrs, Mrs. Wilson from the yard across us
While I'm flossin my teeth
I see her walking across that street
Then I wave, like "wats up mrs W?
Sorry for the trouble we been causing
The cops came over but it wasn't true
They said the music was just way too noisy"
She said "I know how you boys be
But, if you not busy
Come over for some lemonade later
I'm a minute maid yeah made minutes in the paper
The vapors, now cue the steam who is it you see?
Sittin down with the twins now
I'm wishin there was two of me
Whenever my soles hit the pavement
I'm supposed to arrange an arrangement of pain
