The Cool Kids

Yo, this is Hannibal Buress

Not the lukewarm kids, not the hot kids
Not the tepid kids, not the warm kids
The Cool Kids
Back at it again
Still kids
Still cool
Not warm
Achoo

Catch me iceberged out in them baby blue bows
In the benz like Red and Ghost for his shores
When they switched the song up
You don't wanna pick the wrong one
Me and Mikey liked to got Nike
Barber hit my son with the swoosh like Lightning
When I get to rhyming and my senses start to hiding
We call it shark week cuz' you niggas is some biters
But, I flip the script with the special edition
Soft leather offset the way I cover the stitches
All weather low sweater for all seasons that's with us
With the extras in the special, give it back to the children
I'mma dog with it, pause, what you barking at?
I'm parking at us
We'll deal business if I spill Cris' with you
I'm having crazy visions
Next year, eleven millon
See a Tommy Hill ice rocking nigga in the mirror

The Gucci leather coats used to be my obsession
Them hard heavy leathers with them off-set stitching
Man, I beg mama, "I couldn't get em' outta my head mama
Non-stop, I can't get em' outta my thoughts
I talk fast
¡Vámonos! Pronto. Si, mi nombre es Banco
Truck pull up in a white bronco
You probably never heard of Pablo before Narcos
That Bennetton hat he had on when he was at home
And had a heart attack
Yeah, I got that same one and it's autographed
I be like the main one
Ice like Lapras
White Mike Jackson
