

## I Want You to Think I Could Be

### The Cooper Temple Clause

This is not my smile  
This is just hope  
Though I've tried to be strong  
Tears I've cried to belong  
Still nobody wants to know  
I'll keep fighting  
You have beauty  
Though I've tried to be strong  
Tears I've cried to belong  
Still nobody wants to know.
