## **Face For Radio**

The Copyrights

I'm not that funny not that nice I'm always right and I won't compromise Bitch and moan a real headcase But she always has a smile on her face It'd be easier to understand if I was a more attractive man But I'm not so Got a face for radio why can't she see Got a face for radio she's got eyes for me It'd be easier to understand if I was a more attractive man But I'm not so Got a face for radio why can't she see Got a face for radio why can't she see Got a face for radio she's got eyes for me
