1994, fucked up on listerine  
Smoked anything we got our hands on  
Loved anyone we got our lips on  
Made excuses to not like green day  
But we wore the tape out anyway  
What our friends don't know won't hurt them  
Of course they were doing the same thing

I apologize for bringing up the past  
I don't wanna relive, I don't wanna rehash  
I apologize if I'm boring you to death  
I don't wanna reincarnate,  
I don't wanna bring it back  
I wanna make something more than 1994  
Forget about the hit or miss  
Our naivety was bliss
