

Unsatisfied

The Copyrights

It keeps us stuck in our old ways
But it won't work today
I know we're gonna have to try
Again and again

I'm unsatisfied, it's not over, it's not over

10 to 6 everyday monotony replays
10 to 2 every night watching hope
Waste away

We've got a long way to go
A long way to go, a long way to go
Still far from home
