

## All of Our Love

The Coral

All of our love we give to you  
Can you see what we see can we see it too?

All of our hate we give to you  
Can you do what we do can we do it too?

All of our joy we give to you  
Can you say what we say can we say it too?

All of the pain we give to you  
Can you be what we be?  
Can we be it too?

All of our love  
We give to you

All of our hate  
We give you that too

All of our joy  
We give to you

All of our pain  
We give you that too

All of our love  
All of our hate  
All of our joy  
All of our pain
