Auntie's Operation

The Coral

Auntie's operation
Auntie's operation
Auntie's operation
She's coming around
Auntie's operation
Auntie's operation
Auntie's operation
And you're going down

She'll want your sympathy She'll never let you be She's sniffing at your food Before it's even chewed

Auntie's operation Auntie's operation Auntie's operation She's coming around

Auntie's operation Auntie's operation Auntie's operation And you're going down

She thinks she's world renown With the pastor of Paris crown Before you think ahead She'll be sleeping in your bed

Auntie's operation Auntie's operation Auntie's operation You're coming around
