

# Fireflies

The Coral

I walked by the window  
And stopped in the light  
I stood there watching  
The fireflies

Went down to the ocean  
In search of a song  
Wherever I'm going  
That's where I belong

Fireflies fly on by  
You will never ever see me cry  
You won't see me cry  
You won't see me cry

Sand  
Appear on the shore  
If you ask for nothing  
You'll get nothing more

I walked by the window  
And stopped in the light  
I stood there counting  
The fireflies

Fireflies fly on by  
You will never ever see me cry  
You won't see me cry  
You won't see me cry

Fireflies fly on by  
You will never ever see me cry  
You won't see me cry  
You won't see me cry

I'm watching fireflies, watching fireflies  
I'm watching fireflies, watching fireflies  
I'm watching fireflies, watching fireflies
