

Simon Diamond

The Coral

Simon Diamond sold his soul
Changed his name by deed poll
Started out as Simon Russell
Lived his life inside a nutshell

Oooh ooooh Oooooooooh Oooooooooh

He couldn't take the public scorn
Changed from human to plant form
Now he swapped his legs for roots
His arms and soil are in cahoots

Oooh ooooh Oooooooooh Oooooooooh

What will become of Simon Diamond
Water himself
Can't change the climat
What will become of Simon Diamond
Water himself
Can't change the climat

Oooh ooooh Oooooooooh Oooooooooh

That'll do (That'll do) (16x)
Oooh Oooh
