

## Just Like That

The Coronas

Grab your coat it's time to hit the road,  
I think I know some place that we can go,  
And we're so unsure,  
Yeah we thought this could be our final war.

We both go oh my god it's a terrible thing,  
That we're so drawn to each other,  
And we know it might not even mean anything,  
But if its wrong it wont take long.

I'm not saying I want you back unless you say it first,  
Cause I've said things just like that,  
Only to end up getting hurt.

I got your message yeah I'm still awake,  
It's not too late for us to sneak away,  
And there's no harm done,  
And we both agree to take it as it comes.

And we both go oh my god it's a wondering thing,  
That we're so bound to each other,  
And we know it might not even mean anything,  
But if its wrong it wont take long.

I'm not saying I want you back unless you say it first,  
Cause I've said things just like that,  
Only to end up getting hurt.

I'm not saying I want you back unless you say it first,  
Cause I've said things just like that,  
Only to end up getting hurt.

I don't want to be afraid.  
I don't want to be afraid.

I'm not saying I want you back unless you say it first,  
Cause I've said things just like that,  
Only to end up getting hurt.

I'm not saying I want you back unless you say it first,  
Cause I've said things just like that,  
Only to end up getting hurt
