

# The Roses Of Prince Charlie

The Corries

(chorus)

Come now gather now, here where the flowers grow  
White is the blossom as the snow on the ben  
Hear now, freedom's call, we'll make a solemn vow  
Now by the roses o' Prince Charlie

(chorus)

Fight again at Bannockburn yer battleaxe tae wield  
Fight wi yer grandsires on Florran's bloody field  
Fight at Culloden, the Bonnie Prince tae shield  
Fight by the roses o' Prince Charlie

(chorus)

Spirits o' the banished, in far an' distant lands  
Carved out the new world wi' sweat, blood an' hand  
Return now in glory an' on the silver sand  
Fight by the roses o' Prince Charlie

(chorus)

Tak' yer strength fae the green fields that blanket peat  
and coal  
Ships fae the Clyde have a nation in their hold  
The water of life, some men need tae mak' them bold  
Black gold and fishes fae the sea, man
