

# Wha Wadna Fecht For Charlie

The Corries

Wha wadna fecht for Charlie?  
Wha wadna draw the sword?  
Wha wadna up an' rally  
At the royal Prince's word?  
Think of Scotia's ancient hero's  
Think of foreign foes repelled  
Think of loyal Bruce and Wallace  
Wha the proud usurper quelled.  
Wha wadna fetch for Charlie?  
Wha wadna draw the sword?  
Wha wadna up an' rally  
At the royal Prince's word?  
See the northern clans advancing  
See Glen Garry and Lochiel  
See the brandished broadsword glancing  
Highland hearts as true as steel!  
Wha wadna fecht for Charlie?  
Wha wadna draw the sword?  
Wha wadna up an' rally  
At the royal Prince's word?  
Now the prince has raised his banner  
Now triumphant is our cause  
Now the Scottish lion rallies  
Let us strike for Prince and Laws!  
Wha wadna fecht for Charlie?  
Wha wadna draw the sword?  
Wha wadna up an' rally  
At the royal Prince's word?
