

## Aftershow

### The Courteeners

The walk home from barbecue  
Is so very long when I'm walkin with you  
The sun is coming up, it is coming to light  
That me and you were never that tight

And then you stand there with your old boyfriend  
And message after message that you can send, send, send  
You know I will definitely ignore them all  
You're having a shit night, well I'm having a ball

You showed your face at the aftershow  
How did I know that you would say you will go  
It's because you're always listening to him  
He's only average looking and a bit too thin
