

Because Of You

The Cover Girls

I used to walk home all alone, it used to be so sad
I used to be all by myself, used to be so bad
Until you
You came along and took me by the hand
Until you
You came along and said that you'd be my man

Now I'm jumping up and down
Spinning all around because of you
Babe
I'm as happy as can be and it's definitely
Because of you
Babe
Just because of you...

I used to go to bed at night, wishing I had a friend
Someone to hold and squeeze me tight, one very special friend
Until you
You came along and told me you would be the one
Until you
You came along and held me in your arms

You are a dream come true
And there's nothing in this world
I wouldn't do
Baby just for you

Bop, ooh woah woah
Bop, Bop ooh woah woah
Bop, ooh woah woah
Bop, Bop ooh woah woah
Bop, ooh woah woah
Bop, Bop ooh woah woah
Bop, ooh woah woah
Bop, Bop ooh woah woah

I love you...
